Fellow Neighbors, Helping Each Other in Time of Need

Washington Township Volunteer Fire Department Station 76

- Over the last several years, it has been tough for many fire departments throughout New Jersey to recruit and retain volunteers. The Washington Township Volunteer Fire Department needs to bolster the number of its emergency responders so we can continue to provide the optimum level of protection for our residents. Now, more than ever, we need our residents to consider joining their volunteer fire department.
- The Washington Township Volunteer Fire Department is comprised of about 30 active members protecting approximately 7000 residents within the township's 17 square miles. Our volunteers respond to an average of 200 calls a year at all hours of the day and night and in all types of weather to answer our neighbors' call for help.
- Our recruitment drive is not limited to those over 18 years of age who want to be firefighters. We are also looking for additional members 14 to 18 who will be our next generation of firefighters. Training and equipment are provided at no cost to members.
- Come out and join us for a unique experience on any Monday evening between 6:30 - 7:30 at our firehouse, 16 Pleasant Valley Road. This will be a great opportunity for our neighbors to observe the exciting tasks of a firefighter. Our current members love what they do; they are everyday neighbors helping neighbors in need. We hope to inspire our residents to join our fire service family.
- If you should have any questions prior to visiting us, please call 908-246-8733 (non-emergency), visit us on Facebook, or visit our website at www.76fire.org.

Yours in fire prevention,

Jim Vergos
